## PRICE LIST 1958 — 1959

**LOCATION:** Our Nurseries and Trial Grounds are Located in the Geographical Center of Georgia. Five Miles North of Macon, U. S. 129 to Gray. Macon is our Shipping Point.

**SHIPMENTS:** Please Specify by what method you want your Order Shipped. (We recommend Railway Express.) We will endeavor to send out all orders as near the date specified as possible, and will do everything in our power to insure Satisfactory Delivery to our customers, but our responsibility ceases upon delivery to carrier in good condition, insofar as damage in transit are concerned. Should your shipment be delayed or damaged in transit, please file claim with transportation company immediately.

**If to be SHIPPED ADD \$1.50 PER PLANT for cost of materials, labor and shipping.**

Our Nursery has served Middle Georgia from this same location since 1920. Let our years of experience in landscaping and growing beautiful plants help you with your new home grounds.

We shall be delighted to have you visit our Nursery and see our complete line of shubbery, fruit, nut, shade trees and thousands of camellias. Our plants vary in sizes to fit your budget.

On request, a member of our personnel will visit your home and give you a free estimate of the plants you need. We also offer planting service, if desired.

We recommend that planting be done from mid Oct. through March.

## **NEW SEEDLING CAMELLIAS**

After over twenty-three years of growing Camellias from seed, we are pleased to offer these outstanding varieties of our own originations.

We have flowered thousands of seedlings in the past, only a few of which were worthy of letting bloom a second time. Those showing superior traits have been under close observation. Before being placed on the market, they are tried under glass and out of doors, and even then a very small percentage is worthy of propagating and naming.

We honestly and sincerely believe that our seedlings released each year will be more than satisfactory as they are most outstanding in their season of bloom.

We invite you to see these, and others not yet released, in bloom at our nursery this season as we have several that we are excited about — large ones, miniatures and sasanquas.

### **OUR INTRODUCTION FOR 1959**

#### **VIRGINIA RICH**

Our latest origination and introduction is named for the late Mrs. Richard Rich of Atlanta. The flowers are medium size double with a most extraordinary formation and color combination. There are 5 creamy, almost yellow, petals in the center surrounded by 15 white petals then 3 rows of light pink petals. The remaining 30 petals are pink changing to orchid on its outer edges. Growth is fairly slow and foliage is thick and waxy green with very strong stems.

Due to a very short supply of plants, we are offering scions only this fall for delivery in January. The price is \$5.00 each. All scions have at least 2 eyes.

#### **MARY WHEELER**

#### **Solid and varigated**

A new seedling that is really new — if you like Dr. Tinsley, Nina Avera, Mrs Clark and Helen K. you will love Mary Wheeler. It has color all its own with all their fine traits combined into one flower. The blossoms are about 4 inches and incomplete double. IT WON FOUR AMERICAN CAMELLIA SOCIETY HIGHLY COMMENDED SEEDLING CERTIFICATES IN 1957. We think it is tops, and that it will attract as much attention as our R. L. WHEELER. This lovely Camellia is named for Mrs. Carl Wheeler of Central Georgia Nurseries.

## R. L. WHEELER

R. L. Wheeler (plant Patent No. 1137) is a very large semi-double to incomplete double rose. Heavy convoluted guard petals with numerous bold circular stamens intermixed with petaloids. Sometimes blossoms do not have petaloids. Many plants produce solid and varigated flowers. It has strong upright growth with large dark green foliage. It has stood weather extremes exceedingly well. Blooms midseason. Has won numerous shows and awards of merit.

Now that we have a sufficient number of nicely budded plants in all sizes, we offer them at very attractive prices. If you already have a plant, you will want another at these new-low prices. Most all plants have buds and all are grafted on nice understock.
